

NEC SL1100 Voice mail

How to check your voice mailbox

You can access voicemail by using the “VM” or “VOICE” Soft Key (Option) under the LCD display.

Once you are in your mailbox, perform the following steps;

Press 3 – to delete your message

Press 5 – to listen to your next message

Press 63 – to forward the message (for example to a co-worker)

Press 84 – to hear the time and date the message was sent

Press 72 – to save the message

Press 9 – to exit mailbox
